We are delighted to be able to offer the following Cornish Wines on our Wine List. We also offer them for retail sale in our Deli behind the Restaurant. Many are award winning. The grapes we grow in Cornwall have to be more suited to our climate and you will see names such as Bacchus, Seyval and Madeleine repeated through the Vineyards. They are all different depending on their soil and aspect, but all create exquisite fine wines and only produce a couple of thousand bottles a year. Most can only be purchased in Cornwall.
